Part 2

US Palermo

I decided to release **Monachello**, **Peterman** and **Rajkovic** as they don't fit with the team. After a deep analysis it seems clear that they are not part of the team project. They barely played during the season and their impact and contribution was not the greatest.

Please see the attachment 1

At the same time, I decided to bring in **Calabria**, **Cristante** and **Barella** for several different reasons, such as:

- Young prospects
- Very talented
- Gathered a lot of national and international experience already
- Perfectly fit with the team system

Daide Calabria - see attachment 2

Daide Calabria	Strengths	Weaknesses	Style of Play
Physical Attributes	Tackling Speed		Like to run
Technical Attributes	Key passes Crossing	Aerial Duels	Like to tackle

Work Rate	Medium		
Heart/Character	Strong	Commits fouls often	

Parma Calcio 1913

I decided to release **Munari**, **Iacopini** and **Ceravolo** as after a proper analysis it is clear that they are not really part of the team project, and also for the following reasons:

- *Iacopini* - end of contract
- *Munari* - he has been a great asset but it's time to renew (34 years old)
- *Ceravolo* - his characteristics don't fit with the team

Please see attachment 5

I decided to bring in **Locatelli**, **Chiesa** and **Pellegrini** as they are potential stars, and for the following reasons:

- Perfectly fit with the club vision and team formation
- Great technical and mental skills
- Strong character

Manuel Locatelli - see attachment 6

Manuel Locatelli	Strengths	Weaknesses	Style of Play
Physical Attributes	Tackling Blocking the ball		Indirect set-piece threat
Technical Attributes	Passing		Shooting from distance Like to play long ball
